

## PARENT TIME

(Especially for baby  
& toddler parents)

This month our young friends are learning to say, "Thank You, God." Thank You, God, for the trees outside. Thank You, God, for the food I eat. Thank You, God, for my toes and my feet. They're learning that they can thank God for everything.

When is the last time you said "Thank You" to God? Yesterday at the dinner table? Or was it last night before bed? Did your toddler hear you thanking Him? Does she know you are thankful, too?

Model a thankful heart this month and watch your child join in the fun while growing in gratitude. You could even start a "Thankful Tree" on the kitchen wall where you draw or write something you're thankful for on a colorful leaf. When you add it to the wall, you say "Thank You, God" in front of your whole family.
